

OFFERING AN ADVANCED QUALITY COLLECTION OF HIGH PERFORMANCE SILICONES WITH A RANGE OF UNIQUE BENEFITS FOR PROFESSIONAL INSTALLATIONS

GENERAL PURPOSE SILICONE

WHITE

SX Contractors GP Silicone
Acetoxy
300ml Cartridge
Shelf Life: 18 months

Overall Benefits:

- Paintable Curing time
- 24 hours
- Permanently flexible

Product description:

An acetoxy curing general purpose silicone which provides a permanently water tight flexible seal. Offering good adhesive properties, making it suitable for use on glass, most painted surfaces, sanitary ware, ceramics and most non-porous surfaces.

SANITARY SILICONE

WHITE

SX Contractors Sanitary Silicone
Anti-fungal Acetoxy
\300ml Cartridge
Shelf Life: 18 months

Overall Benefits:

- Sanitary formulation
- For use in kitchens, bathrooms and showers

Product description:

An acetoxy curing silicone containing anti-fungal compounds to prevent mould growth in areas subject to high humidity. Provides a long lasting, watertight flexible seal.

MULTI-PURPOSE SILICONE

BLACK

SX Sureseal MP Silicone
Acetoxy
300ml Cartridge
Shelf Life: 18 months

Overall Benefits:

- Versatile sealant
- High elasticity
- Good resistance to UV and weather

Product description:

An acetoxy curing multi-purpose silicone which provides a permanent weather and waterproof seal. After application, the silicone cures with atmospheric moisture to form a durable rubber seal.

BESPOKE COLOUR MATCH SILICONE

COLOURS

Neutral Silicone
Available in many colours
310ml Cartridge
Shelf Life: 9 months

Overall Benefits:

- Sanitary formulation
- Neutral curing
- Almost odourless
- Perfect for bonding without primer on most substrates

Product description:

This product is a plasticiser free neutral silicone. Offering a comprehensive collection of colours to match our complete range of sheet and profiles available. This product cures under the influence of humidity to form a durable elastic rubber.
